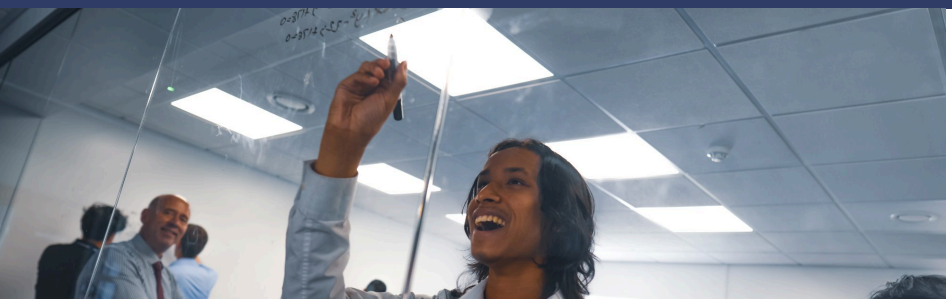
BSF MATHS SCHOOL

BEAL SIXTH FORM

A SPECIALIST SCHOOL INSIDE OUR SIXTH FORM · 2027–28

Two routes through the Maths School

From September 2027, Further Maths is an option rather than a requirement. Every route keeps the same dedicated teaching, support and progression.



CHOOSE YOUR ROUTE

01

Maths, Further Maths and one other subject*

- **Maths**
- **Further Maths**
- Other subject

Our established route, with a third subject such as Physics, Computer Science or Economics.

**A fourth subject may be agreed on an individual basis.*

02

Maths and two other subjects

- **Maths**
- Other subject
- Other subject

Maths at the centre, combined with two other subjects such as Physics, Computer Science or Economics.

Every route includes

- Dedicated Maths School classes
- Mathematicians and academics in residence
- A purpose-built Maths School suite
- Olympiads, competitions, STEP, MAT and PAT preparation
- High-Fliers programme for Oxbridge and Russell Group

Entry requirements

All routes: Grade 8 in GCSE Mathematics
Grade 6 in GCSE English

Other subjects: each subject's published requirement

Leads to: Mathematics and STEM-intensive degrees and careers
