Registering for an Undergraduate application.

For applications 2024 cycle

Deadlines at Beal Sixth Form

The final deadline for your application to be completed is **Friday 13th October 2023**. All students who meet this deadline will have their application sent **by 7th December 2023** (most applications are sent in November). However, you can always submit your application earlier than this and we will send off applications in date order of completion. The official final date for submission to UCAS is 31st January 2024 but we endeavour to send off most applications by December to ensure they have the best chance of offers from their preferred universities.

However, if you are an **early applicant (Oxbridge, Medics, Vets and Dentists)** your deadline is **22nd September 2023** as your official UCAS deadline is 16th October 2023.

Checklist

A completed UCAS application pack:

- Yellow predicted grades sheet (example on pg. 5) signed by parent/guardian and tutor and uploaded to Unifrog
- Application completed on Apply and clicked submit
- Application fee of £23.50 paid on parentpay

Process in school

The yellow sheet has your predicted grades so you will be given this in September when subject teachers have submitted your predicted grades.

When you have told your form tutor or the Oxbridge, Medics, Vets and Dentists Coordinator (if you are an Early Applicant) that your application is complete, the form tutor will finalise your reference directly and then complete the Teams spreadsheet so that the Sixth Form Team can quality check and process the application. In order for both of these steps to happen you will need to click SUBMIT on the online UCAS Apply system. Please note that this sends your application to the school and not to UCAS. You also need to pay your application fee on Parentpay. If you have a problem with login, see Sixth Form Secretary or Sixth Form Study Centre. We will send it to UCAS when it is ready.

When your form tutor collects your application he/she will date stamp it in Teams. Applications are then processed in the order they were received. This way we can ensure that the system works on a first-come first-served basis.

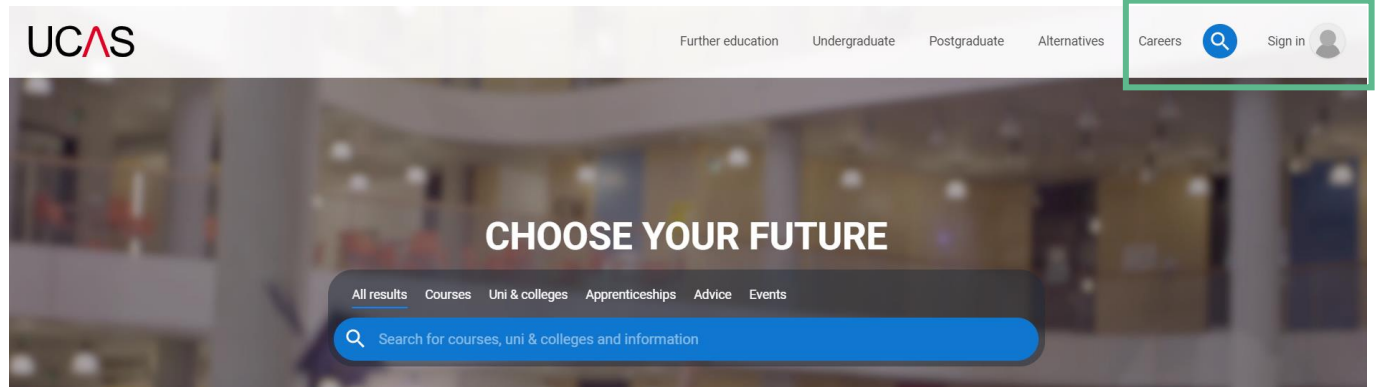

You will receive an email from UCAS when the application has been sent. After this individual universities will contact you directly via UCAS Track or the email address that you provide on the application form.

Education.

You must enter all your qualifications from secondary education onwards – whether you have the result (even any that were ungraded) or you're still awaiting exams and results.

First you need to add details of where you've studied, or are studying, then add qualifications.

Start by clicking **Add place of education**.

You'll be asked for a Unique Learner Number – if you don't have one leave the question blank.

The screenshot shows a web form for adding a place of education. On the left is a vertical navigation menu with green checkmarks for: Personal details, Contact and residency details, Nationality details, Supporting information, English language skills, Finance and funding, Diversity and inclusion, and More about you. The 'Education' link is underlined and highlighted in blue. Below it are 'Employment', 'Extra activities', 'Personal statement', and 'Reference' links. The main content area has a grey button with a plus sign and the text 'Add place of education'. Below this is a section for 'Unique Learner Number (ULN)' with a text box and explanatory text. A dropdown menu is labeled 'Please state the highest level of qualification you expect to have before you start your course *'. At the bottom, there is a checkbox for 'Mark this section as complete *' and a blue 'Save this section' button.

Some courses may require you to disclose your criminal conviction status.

We'll only show this question if the course choice requires it.

Criminal convictions

Do you have any spent or unspent criminal convictions or other punishments that would show up on a criminal records check?

n/a

Yes No

▼ Help with criminal convictions

Further checks may also be required under the Disclosure and Barring Service.

If you have spent or unspent convictions from a court outside Great Britain, additional checks may be carried out depending on the records available in respect of the applicable country.

A criminal records check may show all spent and unspent criminal convictions including (but not limited to) cautions, reprimands, final warnings, bind over orders or similar and, to the extent relevant to this course, may also show details of any minor offences, fixed penalty notices, penalty notices for disorder, ASBOs or VOOs.

It is recommended that you read the help text accompanying this question and if these issues are in any way relevant to you, you should obtain further advice from appropriate bodies. UCAS will not be able to assist you in this respect.

You will be asked this question each time you add a course that requires a criminal conviction declaration.
