#### Sixth Form Dress Code – 'Dress for Success' (Appropriate School Wear)

(See Guidelines on subsequent page)

- Students who do not comply with dress code guidelines will be sent home to change
- Students MUST wear their Sixth Form ID at all times and will be sent home for failure to do so
- Electronic devices are not part of the dress code and headphones and wires should **not** be on display anywhere outside the Sixth Form Study Zone or Sixth Form Common Room (Room 9)
- Mobile phones *are* allowed in school but should be switched off and put away in a bag during lessons and assembly. Phones may only be used in the SF Common Room (Room 9)
- Students are not permitted chewing gum anywhere on site
- Clothing should be modest and something that would be suitable for a professional work setting.
   Short, tight skirts are not permitted and students will be sent home to change

Prohibited items (including misuse of mobile phones and headphones) WILL be confiscated and students may be sent home to change, at the discretion of the Sixth Form Staff Team

## Sixth Form Dress Code 'Dress for Success'

#### **Students MUST Wear**

Sixth Form ID & Lanyard (worn around neck and <u>visible at all time</u>)

**Collared Shirt or blouse or polo short** 

Tailored trousers or skirt or dress

Low / flat-heeled shoes, ankle boots or solid black trainers

Tailored Jacket / blazer / suit / tie (optional)

#### **Students MUST NOT Wear**

**Hoodies** 

Jeans, denim, leggings or jeggings

High heels, sandals, flip flops or sliders
T-Shirts, shorts or short skirts / dresses
Hats

Sportswear / gym wear
Clothing with indiscreet / large logos

- Shoulders, midriffs, low neck lines and backs should not be exposed
- Chewing gum is not permitted on site
- Students should not have headphones, or headphone wires, showing whilst on site (except when in designated sixth form areas)
- Students are **not allowed** to use their mobile phones, devices or headphones, outside of the designated sixth form areas and NEVER in a lesson unless a member of staff explicitly instructs them, and the purpose is lesson-related (no listening to music during lessons)

Prohibited items WILL be confiscated and students may be sent home to change, at the discretion of the Sixth Form Staff Team

#### **RULES, PROCEDURES & GENERAL INFORMATION**

In other situations, SFT discretion and The Forest Academy campus rules apply.

#### **Daily Expectations**

- Students must attend form time, assemblies, 'Wednesday 5' / Personal Development sessions and check the notice boards and cover board in the Study Zone every day for information and important dates (See Cover Lesson Procedures, below)
- Students should also check their school email every day
- Students to engage with the Sixth Form Bulletin PowerPoint every week, which will be emailed, so they may read in detail at their leisure. The bulletin includes important messages and a huge variety of extra and super curricular opportunities that students should engage with.

#### **Sixth Form Punctuality**

- Sixth Form attendance and punctuality are very carefully monitored
- A minimum standard of 95% attendance and punctuality are required. If at any point in the year a student's attendance or punctuality falls below this rate we will arrange to meet with families to discuss next steps as this could result in the student not being able to progress to the next stage of sixth form
- Any student arriving late MUST follow the procedure explained below

Signing-in and signing-out sheets

#### **Late Arrivals**

- Sixth Form students should only enter and exit site via the Harbourer Road gates
- Any student arriving late <u>MUST</u> report immediately to the Study Zone and sign-in on the yellow 'Late' sheet with Jenni Cook (JCO)
- Students should **NEVER** go straight to registration or lesson, without signing in with JCO first. This is to ensure students' safety in the event of an evacuation situation

#### **Sixth Form Attendance & Absence Procedures**

- If a student is ill and unable to attend school, a parent / carer MUST call in, or email JCO, before 09:30
- A message may be left on the Sixth Form Direct Line (020 8501 6672) or email (j.ccok@theforestacademy.co.uk)
- Please clearly state the student's name, nature of illness / reason for absence and leave a contact telephone number for us to call back if necessary
- Each day of absence will require the same procedure
- Parents / carers will be sent a text message if their child is not in school and follow-up calls will be made to seek an explanation and update registers
- Failure to provide follow-up evidence of absence and / or appointments (within two weeks) will result in default unauthorised absence mark(s.) This will detrimentally affect overall % attendance and may jeopardise the student's place within sixth form
- Students must not book driving lessons during the school day
- Students must not agree to part-time employment during the school day

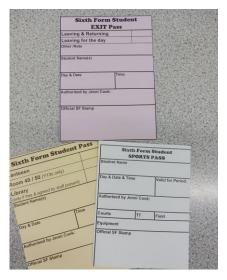

#### **Medical / Dental / Official Appointments**

- Please try not book appointments (e.g. medical, dental) during the school day unless it is an <u>absolute</u> <u>emergency</u>. Usually, orthodontists and dentists will prioritise after school appointments for SF students upon request
- For scheduled appointments, the student must provide evidence (e.g. hospital letter, appointment card) to JCO in advance, so the absence can be noted
- For emergency appointments or those booked for the same day, a parent or student should call to explain and the student should bring a parental note or evidence from the appointment when returning to school. All documentation should be given to JCO

#### **Religious Observations**

- Students wishing to take a leave of absence for religious reasons MUST request, in writing, in advance
- We appreciate that with some events (such as Eid) advance warning can be difficult. In these instances, we ask that parents, or students, email / telephone on the morning of the day off
- Students are allowed a one-day authorised absence only for each religious occurrence
- Any additional days taken (whether confirmed by a parent or not) will not be authorised and will detrimentally affect the student's % attendance

Exit Pass, Library Pass, Sports Pass

#### **Leave of Absence – Exceptional Circumstances**

Any student wishing to take a leave of absence due to exceptional circumstances MUST provide a
written request by a parent, in advance. If overseas travel is required a copy of tickets / booking
confirmation of outbound and return travel must also be provided.

#### Attendance and Punctuality Policy (Updated January 2020)

'Beal Sixth Form aims to encourage excellent levels of attendance and punctuality, with the intention of enabling all students to take full advantage of the educational opportunities available.'

The aim of Sixth Form attendance and punctuality is to improve the overall percentage attendance of students at school to above 95%. This will include lesson and tutor time sessions. Students who fall below 95% attendance will then be placed on the attendance disciplinary ladder. We expect students to arrive punctually to school. Persistent lateness will be dealt with by form tutors and the Sixth Form Team (SFT)

- 1. Informal Warning details kept on file (pre-stage 1). This is issued by the tutor and / or SFT following emerging patterns of lateness to school / missing tutor time. This will be logged on SIMS.
- 2. Formal Warning and Report card (stage 1) This is issued by the tutor and / or SFT once pre-stage 1 has not led to sustained improvement in attendance and punctuality. A formal Warning letter will be sent home to parents/carers and students will have to complete a one-week report with 95% attendance.
- 3. Formal Warning and Report card (stage 2) 'Persistent Absences' This is issued by the Head of Year following lack of impact of stage 1 in terms of their attendance and punctuality. Formal Warning letter will be sent home to parents/carers and students will have to complete a further two-week report with 95% attendance.
- 4. Attendance Concern Meeting (stage 3) this is organised by the HoY if students at stage 2 do not improve their attendance and punctuality. Parents/carers are invited to attend an 'Attendance Concern Meeting' with the SFT.
- 5. Educational Welfare Officer (EWO Stage 4) Once stage 3 has not had the desired impact on their attendance and punctuality, the SFT liaises with the Director of Sixth Form, who will refer to the EWO. They will arrange a home visit to address attendance concerns and/or write a letter home with possible removal from roll.

- **6.** Removal from Beal Sixth Form (stage 5) Failure to respond to the previous interventions will result in the student's place being withdrawn.
- It is the responsibility of the student and parents/carers to ensure that if absences do occur that the correct procedure is followed
- Absences of five consecutive days or more, or where patterns of absence emerge, must be supported by medical evidence
- Leave of absence during term time will not be granted unless there are exceptional circumstances to consider, parent / carer has submitted a written request, and then only when authorised by the Director of Sixth Form or Principal
- Progression to Year 13 is dependent upon a minimum attendance of 90%

#### **Sixth Form ID & Lanyard**

- As part of site safeguarding all Sixth Form students are required to have a photo ID card, with BSF lanyard, which must be worn around the neck at all times with the photo on display
- IDs will also allow students to gain entry to specific SF areas
- All new students will have their photographs taken and IDs and lanyards issued within the first four weeks of term
- IDs provide evidence of full-time education and may allow access to student discounts etc
- Replacement ID cards and lanyards (lost / damaged etc) may be subject to a replacement fee of £5.00
- Students who fail to display their ID will be sent home at the discretion of the Sixth Form Team (SFT)

#### **Independent Study Periods**

- When students are not in timetabled lessons they are expected to stay on site and use the time
  effectively to complete private, independent study in the Sixth Form Study Zone or Main School Library
- Timetabled private study periods will be allocated to student timetables and during these periods students will need to register with JCO and study in the designated sixth form study areas
- At no point should any student leave site during lesson times or study periods

#### Cover Lesson Procedure (Teacher Absence)

- Any sixth form cover lessons will be displayed on the daily cover board in the Study Zone.
- Students will register with JCO and be given cover work and / or instructions for how to progress in the absence of their subject teacher
- It is the responsibility of every sixth form student to check the cover board throughout the day, follow instructions and obtain their attendance mark

#### Mental Health & Well-Being

- We pride ourselves on being able to offer excellent support and pastoral care at TFA campus.
- JCO is trained in young people's mental health, CBT, academic resilience and mental health first aid and we can also refer students to school counselling services
- We discuss mental health, physical health, sexual health and general well-being in order to avoid stigmas and stereotypes and forge open, respectful and factual discussions
- Health and well-being forms part of our Tutor Time, Personal Development and 'Wednesday 5' programmes and is also given over to curriculum 'drop down' days, visits and guest speakers

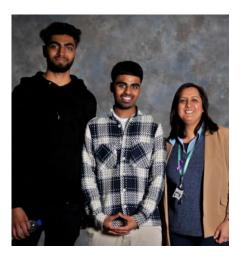

#### Sixth Form Student Leadership Team

- Sixth form students have the opportunity to apply to become Lead Students (i.e. senior prefects) and join our Sixth Form Student Leadership Team, run by Head Students in Y13.
- Lead Students carry out a range of duties including lower school form group support, break duties, sport support, Student Voice representatives, school ambassadors, mentoring, organising charity events etc. Lead Students can initiate and manage projects within school and the local community
- All Lead Students are required to be exemplary role models and attend regular meetings and briefings
- Lead Student status is a positive addition to UCAS applications and for inclusion in a CV

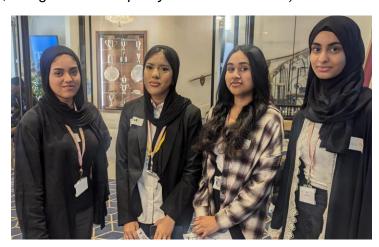

We encourage all sixth form students to apply for a Lead Student position. In addition to being a positive role model for younger students you can become involved in wide variety of initiatives and activities, which will enrich your sixth form experience, contribute to your own personal development and add a desirable element to your future UCAS, apprenticeship or employment applications.

#### **'Superstar' Certificates and SIMS Points**

- 'SIMS' or School Information Management System is the education database we use at TFA.
- All staff can award positive points to students on SIMS for academic, pastoral, community, attendance, punctuality and behaviour efforts
- These points accumulate throughout the year the student with the highest points at the end of year 12 and Year 13 are each awarded a prize
- Negative points can also be given for poor behaviour and /or failure to meet our expectations of a sixth form student (as outlined in the handbook, along with school policy and within lessons)
- Negative points are offset by positive points so students can get 'back on track'
- The Sixth Form Team and tutors monitor these points closely and intervene where necessary
- We recognise the weekly achievements and contributions of our students by celebrating success in our assemblies and Personal Development sessions and issuing 'Sixth Form Superstar' certificates.

#### **Sixth Form Only Areas**

- Dedicated Study Zone with PC access, colour printer, scanner & photocopier, laptop trolley, private study booths and an adjacent silent study / revision area
- Two study rooms, with PC access, specifically reserved for year 13 student private study.
- Specially designed and dedicated Sixth Form Common Room
- Outdoor picnic area, sports court and field area for SF student use only
- SF students may request a Library pass to work in the area during the day (subject to behaviour and availability)
- Sixth Form student areas should be treated with respect, kept tidy and no furniture should be moved
- If the Common Room is misused, littered, not maintained by students or not treated with respect it will be locked and its use withdrawn
- Lower school students may not use these rooms please do not encourage them and report any
  misuse to staff immediately
- The Study Zone (SZ) is a quiet study area; students are not permitted to use PCs for gaming and social media
- The Study Zone is NOT to be used as a leisure space / break room during break or lunch
- The Study Zone is staffed for the majority of the day and students are supervised and supported
- Students may utilise the Study Zone between 08:00 and 16:30
- Food and drink may only be consumed, during breaks, in the Canteen, Common Room or outdoor areas
- NO CHEWING GUM is allowed on site so should not be consumed in ANY area of the school, including SF only areas
- Inappropriate use of computers is flagged up to Mrs Matharu and Mr Mackintosh, (e.g. Google searches) In such cases parents will be contacted with full details of the search, or site that the student has attempted to access. (See 'Network Use' policy below)

#### **Enrichment Opportunities & Personal Development**

We pride ourselves on the extra and super curricular initiatives we offer our sixth form students.

These underpin students' academic studies with enrichment opportunities so that our young people leave us as well-rounded individuals, ready to begin higher education, apprenticeship or employment.

As Covid restrictions have eased, we have been able to resume our wide range of enrichment opportunities.

#### **Wednesday 5 & Personal Development**

- All Year 12 students will engage in 'Wednesday 5', our weekly enrichment programme, which takes place every week during period 5
- 'Wednesday 5' will cover a range of issues, careers and subjects, delivered by guest speakers and specialists as well as the SFT
- All Year 13 students will have a fortnightly period of Personal Development which will be delivered via the Sixth Form Team. An example of areas covered are: mental health, sexual health, substance misuse, budgeting and planning for university, preparing for the world of work, interview techniques, CV writing

#### **Visits, Events & Work Experience**

- In addition to in-school events (Progression Week, Careers Events, Lead Student Duties) we encourage all Year 12 students to engage in a one-week work placement in the summer term.
   Students may source their own placement or seek assistance from our dedicated Careers Coordinator or SFT
- Below are just a small number of the trips, events and opportunities which students have previously enjoyed:

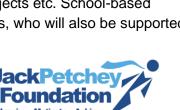

Work shadowing placements at KPMG, Allen & Overy, Citigroup, Deutsche Bank, Kings College, Imperial College, The National Orthopaedic Hospital, Pret A Manger, and Financial Conduct Authority. Collaborations with Upskill, Ofcom, Aspen Construction, Metropolitan Police, Teach First, Future Leaders. Trips to London Careers Fair, Oxford and Cambridge Colligates, Queen Mary University and summer school placements at UEL, SOAS and Oxford University.

**Subject-specific trips**: Construction Skills Academy, National Theatre, Bloomsbury Philosophy Conference, The Photographer's Gallery, Starbucks Head Office, The Bank of England Museum, The National Gallery, The V&A Museum, UEL's Sports Centre of Excellence, UEL 'Courtroom in a Classroom'.

#### **Guest Speakers & 'Give Back'**

- Examples of previous visiting external speakers: Wings of Hope, The Alzheimer's Society, Making the Leap, The Teenage Cancer Trust, Make-a-Wish Foundation, Malcolm Sweeting -Senior Partner, Clifford Chance Law, Wes Streeting MP, Barclays Life Skills, Imperial College, Speakers for Schools, The Breck Foundation, Mental Resilience with Andrea Corbett, Metropolitan Police
- Give Back' Every SF student will be required to give up an hour each week to give back to the school and / or wider community. This could be mentoring lower-school students, supporting a form class or subject lesson, participating in fundraising projects, devising community projects etc. School-based

raising projects, devising community projects etc. School-based opportunities will be shared with students, who will also be supported to source and initiate their own opportunities

#### 'Show My Homework' (Satchel One)

 Homework and virtual learning, are both set electronically via Satchel One's Show My Homework website and logging in via 'Office 365' using their Beal email address

#### **Microsoft Teams**

• In addition to Satchel One, and checking their school emails every day, students will use 'Teams' to access work and submit work online. Individual teachers will advise on working practices.

#### **Student Network Login & Email**

- Every student is given their own, unique, login and password to access all PCs in the school and their email account
- Every student receives a Beal email address which allows access to Office 365 and MS Teams.
- Students should check their Beal email address; Teams accounts and Edmodo posts every day

#### **Network and Internet Use Policy**

All Internet sites, favourite links, home folders and ANY other contents / files / folders / executables are scanned and filtered on The Forest Academy ICT Network. The Network Administrator has full access, control and permissions over the above. You are personally responsible for ALL contents within your user area - if you believe someone knows your username and password you must inform a Network Administrator immediately.

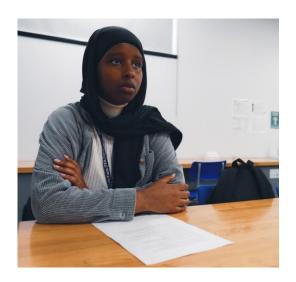

#### **Rules for Responsible Computer Use**

- I will only access the network with my assigned login and password, which I will keep secret
- I will only use the computers at TFA for school and homework
- I will not bring data from outside school on portable media, unless I have been given permission
- I will not attempt to gain unauthorised access to the TFA / BSF network or any other computer system within school
- I will not try to access, corrupt or destroy other people's files
- I will use TFA's resources responsibly at all times
- I understand that the school will check my computer files and monitor any computers that I work on for inappropriate use
- I understand that any inappropriate use may result in disciplinary action
- I will not violate the privacy or disrupt the work of other users
- I will not load unauthorised software/applications on the network or computers.
- I will not print out any documents that are NOT work related
- I will take care not to cause damage to computer equipment, networks or furniture and will report immediately any accidental damage
- I will not violate laws relating to copyright, data protection or computer misuse

#### **Rules for Responsible Internet Use**

- I will be responsible in my use of electronic communications (examples: e-mails, Instant Messaging, Blogging, Message Board Submissions and Newsgroup Conversations). I will not send any material that is inappropriate
- I will not use offensive or threatening language in my electronic communications. All communications I send will be polite and responsible
- I will not give out personal information about myself particularly my home address in any electronic communications
- I will report any unpleasant material or messages sent to me, in confidence if necessary, so as to help protect other students and myself
- I will not visit websites that contain unsuitable material. If I am unsure that a site is suitable, I will ask a member of staff
- I will not participate in any Internet chat rooms
- I will not download unauthorised files into my user area (examples: software, games, music, screensavers, zipped/winrar files, executables, etc.)
- During lessons and club times I will ONLY use the Internet for school work. Using the Internet for other purposes is allowed at the discretion of a member of staff. If I want to use the Internet for any other purpose, I will ask permission first
- I will not take information from the Internet and pass it off as my own work I will report any misuse of the Internet immediately to a member of staff

#### 16 - 19 Bursary Fund

Education Funding is changing the application process and, way payments are allocated, from September 2022. Students will no longer receive equivalent weekly payments each half term as 'cash'. Instead, eligible funds may be requested for use to purchase specific items to support the student's studies.

#### FULL DETAILS OF THE APPLICATION PROCESS WILL BE ISSUED BY BEAL WITHIN THE FIRST FEW WEEKS OF THE AUTUMN TERM

Students from one of the following categories may apply for the 16 - 19 Bursary which offers financial support to Learners. The young person must be aged under 19 years on 31<sup>st</sup> August 2023 to apply.

- 1. Learners in Vulnerable Groups
  - Young people in care
  - Care leavers
  - Young people in receipt of income support (or Universal Credit) in their own name
  - Disabled young people in receipt of Employment Support Allowance, who are also in receipt of Disability Living Allowance, (or Personal Independence Payments)
  - Young people with LDD but who are not in receipt of ESA or DLA or PIP
  - Young Carers
  - Teenage Parents who are not in receipt of income support
  - Young Offenders
- 2. Learners in receipt of free school meals and/or whose families receive income-related benefits and/or whose family income is below £16,190 per year.
- 3. Learners whose family income is below £21,000 per year.

A sliding scale of weekly-equivalent payment is attributed to each group. The Learner will receive one lump sum payment, at the end of each term or half term as directed, for each week they have met eligibility criteria.

#### **Eligibility Criteria**

Students MUST meet all of the following conditions **each week** in order to be receive their level of award:

- Attendance 90% minimum
- **Punctuality** no more than one late mark per week
- **Behaviour** not in breach The Forest Academy's code of conduct, behaviour policy, Sixth Form student expectations (no negative SIMS points)

#### **Assessment, Tracking and Reporting**

Beal Sixth Form has a rigorous and established tracking system. The nature of this system supports the dialogue teachers maintain with students and parents/carers about progression.

Interim Reports (IRs) are completed each term by all subject teachers who enter end of course predicted grades as well as comments and targets into the tracking system. The Sixth Form Team and Heads of Department analyse this data and intervene where necessary to ensure personalised learning is effectively impacting on results.

Mentoring meetings are held by form tutors once a term with each individual student in order to track their progression and ensure underachievement is challenged. The Director of Sixth Form and Heads of Year meet with individuals who are underachieving in two subjects or more. Parents are also contacted to discuss concerns.

Targeted interventions are provided for individual students and small groups. These can be directly related to subjects and / or general study skills, literacy and revision techniques etc.

We greatly appreciate parental support and positively encourage two-way communication. We are happy to make appointments for parents / carers to meet with Heads of Year, Directors of Sixth Form and Student Services Manager outside of the formal events shown above throughout the year.

#### **ALPS** ('The 'A' Level Performance System')

We use ALPS minimum target grades – calculated using average GCSE point scores and normalised against 200,000 students across the UK to set targets, monitor regularly and evaluate progress, of individuals and departments.

Students are motivated to be aspirational and exceed their minimum target grade at every opportunity.

#### **UNNIVERSITY APPLICATION PROCESS**

All of our students are supported through the UCAS (university application) process with dedicated mentors, referees, tutors, workshop sessions and guest speakers. Students who do not opt for the university pathway are then given 1:1 support with applications for apprenticeships and employment. All SF students have access to the school's dedicated careers coordinator and can book an appointment or attend a drop-in session.

#### **UNIFROG**

All students will be given a log-in for this unique online platform which BSF subscribes to. You will be able to filter-search courses and institutions; log all your activities, experiences and enrichment opportunities and complete short, online courses to enhance your applications. Your personal statement drafts can also be checked, online, by your UCAS mentor who can leave electronic feedback.

#### **'MDV' & Competitive Course Applications**

If you are committed to applying for medicine, dentistry, veterinary science and / or Oxbridge (Oxford and Cambridge colleges) we will be able to offer you additional support for these competitive courses; including tailored personal statement writing, UKCAT and BMAT preparation (and test-sitting) and mock interviews.

#### **UCAS Tariff System Explained**

UCAS allocates tariff points to level 3 qualifications (such as 'A' Levels and BTEC courses) which most universities use as part of their entry requirements. Each university course has different entry requirements. Find out more on the UCAS website: ucas.com/ucas/tariff-calculator.

#### The Costs of Higher Education

Prior to 18yrs, all educational courses are free of charge unless you are attending a private institution. After 18yrs the course you study may charge tuition fees with the amount depending on what and where you study. The following table is a only a **guide**. There are many variations (e.g. the Degree Apprenticeship where the tuition fees are paid by the sponsoring company and/or government) and the NHS pay the full tuition fees in years 5 & 6 for medicine and dentistry students.

Level	Course	Tuition Fee Cost p/a
1- 2	<ul> <li>GCSE (Grades 9 – 1 / A* - G)</li> <li>BTEC Level 2</li> <li>Level 1 &amp; Level 2 Diploma (Foundation)</li> </ul>	No Cost
3	<ul> <li>'A' Levels</li> <li>BTEC Level 3</li> <li>Level 3 National Certificate &amp; National Diploma</li> </ul>	
4 & 5	<ul> <li>Foundation Degree (Levels 4 &amp; 5)</li> <li>HNC and HND         Higher National Certificate, Higher National         Diploma</li> </ul>	£3,500 - £14,800
6	<ul> <li>Degree Apprenticeship</li> <li>University Undergraduate Degree (BA, BSc, LLB,)</li> </ul>	No cost £7,500 - £9,250
7	Master's Degree (MA, MSc, MPhil)	£2,340 - £8,790
8	Doctorate (PhD)	Varies

#### **Student Finance (SFE)**

Student Finance England is the government body to whom you can apply to borrow money to afford your tuition fees and (see below) maintenance costs. Once you have a confirmed university place you can apply online to SFE up to 9 months after your course starts. You can find out approximately what loan you are eligible for at: www.gov.uk.student-finance-calculator

#### **Tuition Fee Loans**

Tuition fee loans are paid directly from SFE to your university or college in 3 instalments (25% in the first term, 25% in the second term and 50% in the 3<sup>rd</sup> term.) You are expected to repay this loan, whether you complete your course or not. Loans also carry variable interest charges. For undergraduate courses, you only start to repay your loan when you are earning more than £21,000 per year and approximately 9% of the difference between this figure and what you actually earn. www.gov.uk/education/funding-and-finance-for-students

#### **Maintenance Loans**

Aside from tuition fees, you will also have *maintenance* costs (rent, food, travel, entertainment, course materials etc.) The cost of living can vary greatly depending on where your university is located and whether you live on-campus or off-campus. The *average* living costs for an undergraduate is £12,000.

You can apply for a maintenance loan at the same time as applying for your tuition fee loan. Maintenance loans are 'means tested', so the amount you can receive depends upon your personal and / or family's taxable income. To check your eligibility: www.gov.uk.student-finance-calculator

Your maintenance loan for the year is paid directly into your bank account and split into two or three instalments, depending on how many semesters you have in the year.

#### **Grants, Bursaries & Scholarships**

Depending on your circumstances, you may be eligible to apply for grants, bursaries or scholarships (e.g. sports, drama, academic, disability.) Check with individual institutions and also see: **www.oodlesof.info** 

#### **Degree Apprenticeships**

Launched in 2015, degree Apprenticeships offer an alternative route through higher education. A university course is offered in partnership with an employer so the course is split between university and the work place – like an apprenticeship but you graduate with a Bachelor's or Master's degree and a job, more-or-less, quaranteed at the end of the course.

Two thirds of the tuition fees are paid by the government and the remaining third by the employer, so you do not pay ANY tuition fees at all! You are still responsible for your maintenance costs but you will be earning an average salary of £15,000 p/a, increasing as your course progresses.

There are currently 26 universities where you can study a Degree Apprenticeship, in all different areas of the UK, and this number is set to increase in future years. Some of the courses available include: Aerospace, engineering, aerospace software development, automotive engineering, construction, defence, digital industries, electronic systems engineering, financial services, life and industrial sciences, nuclear, power engineering, public relations and surveying. On average, you will spend 30 hours a week for 30 weeks a year in the workplace. www.gov.uk/government/publications/higher-and-degree-apprenticeships

#### The Russell Group

The Russell Group is a catch-all term for a group of universities with a shared focus on research and a reputation for academic achievement: http://russellgroup.ac.uk/about/our-universities/

#### **Oxbridge**

'Oxbridge' is the collective term for the universities of Oxford and Cambridge which are each made up of colleges (more than 40 at Oxford, more than 30 at Cambridge) and prospective students choose one particular college to apply to at one university. **www.ox.ac.uk www.cam.ac.uk** 

#### **Deferred Entry**

Deferring means applying for a course and then taking a year out before starting university – for example, you could apply in September 2018 to start university in September 2020. Usually, you can only defer your entry by one year. **Some universities and colleges do not allow deferred entry for some subjects, such as medicine. Ensure** you check with each university or college that they are happy to consider an application for deferred entry – they may not be offering the course the following year, they could be changing it, or may prefer students not to have a gap in studying before they start their degree.

You will still need to meet the conditions of any offers in the year that you apply (unless the university, college, or conservatoire tells you otherwise). It's very important that you check the subjects, courses, and universities/colleges you're applying to are open to applications for deferred entry, otherwise you could end up wasting one of your choices. Check the university or college website, read the course information carefully, and/or contact their admissions team to find out if your chosen subject/course will not accept deferrals.

#### Clearing

The ideas with 'Clearing' is to identify courses with vacancies that interest you and contact the course provider directly to see if they will offer you a place.

You can use the UCAS Clearing system if:

- You did not receive any offers (or none you wanted and declined them)
- You didn't meet the conditions of your offer (e.g. grade requirements)
- You applied after 30th June

Clearing is available between July and September every year, with the busiest period around 'A' Level results day. Advice will be available from staff if Clearing is necessary and you can also visit:

https://www.ucas.com/undergraduate/results-confirmation-and-clearing/no-offers-learn-how-clearing-works

#### **BSF @ TFA: UCAS Timeline**

#### 6th September - 13th October 2023

- Year 13 students: Final submission of UCAS applications
- £24.00 must be paid via ParentPay
- Jenni Cook will then sign your predicted grades sheet (yellow form) to confirm the payment has been received
- Give your yellow form to Mr Nortey and press 'pay and send' on UCAS website
- 22<sup>nd</sup> September Oxbridge & MDV APPLICATION DEADFLINE
- Friday 13th October DEADLINE for all other application submissions

Throughout the year, ensure you are logging your activities and experience on UNIFROG

#### June 2024 onwards

- Year 12 students: Tutor time dedicated to UCAS
- Spend time researching courses and drafting personal statements
- Complete 'blue form' and hand to your tutor

#### 1<sup>st</sup> July 2024 - Year 12 Progression Week

- Sessions will include workshops on university applications, a visit to a university with UCAS advice, a careers fair and time to begin drafting your personal statement
- You will sign-up to your UCAS account

#### 12th July 2024

Year 12: Personal statement first draft deadline

#### 12th July onwards (and throughout summer holidays)

• Continue researching courses, completing your application and gaining experience to support applications (work experience, volunteering, conferences, talks)

#### **REMEMBER!**

You cannot click 'pay and send', and complete your application, until you have paid your £24.00 via ParentPay and Jenni Cook has signed your predicted grades (yellow) sheet to confirm this has been received.

#### SUCCESSFUL CV WRITING

### Recruiters will spend an average of only 8 seconds reviewing a CV

Make yours count using the following tips and example layout shown here

**1. Make it concise -** No more than 2 sides of A4 at this stage (1 if you can)

#### 2. Ensure the layout is 'clean' and easy to read

• Use spacing and bullet points effectively, follow the example format, print on 'good' paper

#### 3. Dates are important

- Always start with most recent and work backwards (Education, Employment History etc.)
- Make 'to' and 'from' dates instantly noticeable

#### **4. Do not leave any date gaps** (this makes recruiters suspicious)

• If you do have gaps, explain them and try to put a positive 'spin' on the situation

#### 5. Ensure there are NO mistakes

- Always proof read and check for spelling and grammatical errors
- Do not abbreviate (e.g. don't = **do not**, can't = **cannot**)
- Ask someone else to check it too

#### 6. NEVER LIE

- Under no circumstances should you lie in your CV
- Never say anything you cannot prove or give an example of

#### 7. Always include a 'Personal Profile' (not too long though)

- Make yourself stand out by your Personal Profile and your CV will reach the top of the pile!
- A good Personal Profile will instantly engage a recruiter and lead them to read on
- Give concise details of your experience, skills and qualities which are relevant to the role with brief examples to back up what you are claiming
- Avoid clichés, quotations and using 'l' too much

#### 8. Tailor each CV for each application

- Recruiters do not like generic CVs (also known as 'Blanket CVs.') Take time to adapt your CV for every application you make.
- Match your Personal Profile and key skills and qualities to the job specification or what you think the employer is looking for in an ideal candidate

Keep your CV up-to-date even if you are not actively job-hunting. This way you will not forget events, dates etc.

#### **Useful Conversions**

#### Converting from one metric unit to another

Perhaps the most common metric conversions are between mm, cm, m and km.

- 1 cm = 10 mm
- 1 m = 100 cm = 1000 mm
- 1 km = 1000 m = 100 000 cm = 1 000 000 mm
- **kilo** means **1000**, so 1 km = 1000 m
- **centi** means  $^{1}/_{100}$ <sup>th</sup>, so 1 cm =  $^{1}/_{100}$ <sup>th</sup> m
- **milli** means  $^{1}/_{1000}$ <sup>th</sup>, so 1 mm =  $^{1}/_{1000}$ <sup>th</sup> m

#### **Converting units of mass and capacity**

For example:

- 1 km = 1000 m, so 1 kg = 1000 g
- 1 m = 100 cm, so 1 l (litre) = 100 cl (centilitres)
- 1 m = 1000 mm, so 1 g = 1000 mg (milligrams)

#### **Converting imperial to metric measurements**

<u>Imperial</u>	<u>Metric</u>
1 inch (1")	2.54 cm
1 foot (1') / 12"	30 cm
1 yard (1 yd)	almost 1m
1 mile	just over 1.5km
1 acre or 4, 840 sq yards	4046.9 m <sup>2</sup>
1 sq mile or 640 acres	2.590 km <sup>2</sup>

1 ounce (1oz)	approx. 30g
1 pound (1lb) or 16ozs	about half a kg
1 stone or 14lbs	about 6.5kg
1 tonne (t)	1000kg

1 pint or 20 fl ozs	just over half a litre
1 gallon or 8 pints	About 4.5 litres
