

## ART & PHOTOGRAPHY Plans for Year KS5 Curriculum

<b>Year 12 Fine Art</b>	<b>Intro to Fine Art</b> Students are given individual briefs to focus on their independent practical ideas and work through the assessment objectives. Students complete workshops in a large variety of experimental techniques and practices to expand and challenge their skills and knowledge, producing outcomes inspired by the study of other Art and artists.	<b>Sustained project</b> Students build on their 2D portfolios and study the work of 3D artists too, students choose topics of interest to develop further and select artwork to take inspiration from. Students visit galleries and exhibitions to gain exposure to a variety of Art. Students will produce a variety of experimental outcomes, combining techniques and refining their work to produce final pieces in a medium of their choice.	<b>Independent coursework project</b> Student's start their final coursework project and have authorship of the topic and subjects of their study. Teachers coach the students through their studies with mentoring, students follow the exam board assessment objectives to attain the marks they need to achieve coursework marks.
<b>Year 13 Fine Art</b>	<b>Independent coursework project continued</b> Students continue their independent projects which culminates in a mock exam, Final sustained outcomes are produced giving them their coursework result for their A level.	<b>Externally set assignment</b> The exam board studied is AQA. The externally set assignment is given and students pick which title to complete, producing a body of work in response until their 15 hour controlled period, which concludes their portfolio. <a href="https://www.aqa.org.uk/subjects/art-and-design/as-and-a-level/art-and-design-7201/subject-content/fine-art">https://www.aqa.org.uk/subjects/art-and-design/as-and-a-level/art-and-design-7201/subject-content/fine-art</a>	<b>Externally set assignment</b> The exam board studied is AQA.
