Dear Parent/Carer,

Re: Year 12 progression exams season 1

A level Progression Exams (Season 1) run immediately after the Easter holidays from **Monday 15th to Friday 19th April 2024**. The aims of these assessments are to:

- Give each student the opportunity to sit full length A level exams in a formal, controlled setting
- Identify student strengths and areas for development at the halfway point in the year
- Inform latest UCAS predicted grades, particularly important for early applicants such as those students aiming for Oxford/Cambridge and Medical/Dental/Veterinary school destinations
- Highlight those students who need additional support at this critical stage in their education

Key reminders:

- Students only come to school for their scheduled examinations, **apart from those students studying BTEC Applied Science** who are still required to attend lessons when they do not clash with their exam
- They must bring the correct equipment and IDs/lanyards and ensure they are adhering to sixth form dress code to be admitted into the exam hall by the invigilators: <https://bealsixthform.co.uk/information/beal-sixth-form-dress-code-2023-24/>
- If students wish to study at school, they must sign in with the sixth form reception and base themselves in the sixth form block
- Timetables have already been distributed **with venue/timings/seat numbers** and students should read these very carefully
- Students must report to the **upper site changing room or SF14/15 as usual by 8.45am or 1.45pm** (9am and 2pm are the start times, not arrival times).
- If a student is **unwell, running late or has another personal reason** why they are unable to sit an exam, please notify us immediately at sixthformabsence@bealhighschool.co.uk or 02085519378
- Students who arrive late must not enter the exam hall but must instead **report to the sixth form reception**
- Normal lessons will resume at **8.30am on Monday 22nd April 2024**
- Results and latest predictions will be published on **Monday 10th June 2024**
- Progression Exams Season 2 will be in **early October 2024** and **season 3 in early March 2025**.
- See overleaf for a copy of the timetable.

Thank you for support and we wish your child every success with their exams this summer. If you have any queries please just get in touch.

Yours faithfully
