Important Information About Applica

To help ensure enrolment runs smoothly:

- Wherever possible, we strongly encourage students to enrol in person, as this allows us to resolve any issues quickly.
- Online enrolment will be available from:
 - **8.00am for internal students**
 - **11.00am for external students**
- Applica login sessions will be limited to **12 minutes**, with a countdown displayed on screen.
- If your session expires, you will be able to log back in during your allocated enrolment window.
- A queueing system will operate if the system reaches capacity.

These measures have been introduced by Applica to ensure the national enrolment system remains stable on GCSE Results Day.

Please note that all offers remain subject to meeting the required entry criteria and course availability. We reserve the right to adjust your allocated campus following enrolment, depending on subject capacity, availability and student numbers.

Full details regarding induction, your first day, and start-of-term arrangements will be shared once your enrolment has been completed.

We wish you a restful and enjoyable summer break and look forward to welcoming you to Beal Sixth Form and supporting you as you begin your Year 12 journey.
