## Our expectation

Sixth formers are the role models of the school and are expected to display this through their conduct and dress. They must look professional at all times.

## The aim of the dress code

The dress code ensures students are dressed smartly, professionally and in a formal/business style, reflecting the ethos of Beal Sixth Form. It promotes a strong, safe school community identity and ensures equity and reasonable costs for school clothing. The school offers financial support for the purchase of any new items if needed.

Only **black, navy/blue and grey** clothing may be worn, with a **white, black, blue or grey** shirt. The colour of each item is set out in the Dress Code List.
