SUCCESSFUL LEARNERS, CONFIDENT INDIVIDUALS, RESPONSIBLE CITIZENS

BEAL SIXTH FORM

Taking personal responsibility for their learning, and earning additional privileges.

A Graduated Approach to Independent Study

Across our One Sixth Form, Two Campuses model, our tiered Private Study Centre provision extends our high expectations inclusion ethos into every hour of the academic day, ensuring every young person has access to the pathway that will enable them to fulfil their potential and build a successful future.

Our tiered model mirrors the high expectations inclusion approach that underpins all four BSF pathways. It ensures structured support is available at every stage, while rewarding students who demonstrate the self-regulation, commitment and exemplary conduct that our most competitive destinations demand.

Our Private Study Spaces enable the following:

- Students on all A-level and BTEC L3 courses complete a minimum of six hours of independent study per subject per week.
- **Three-Year Pathway students** build the foundational study skills that have seen students progress from Level 2 to Russell Group university offers.

Access to these spaces will be reviewed termly, and should the capacity be reached, a waiting-list system will be implemented.
